

**DELTA**  
*convenient product display at two levels*

# DELTA

This combi vertical freezer combines the advantages of both, a chest freezer and a freezer cabinet. Delta is designed for the display of ice-creams and frozen produce. It has a large loading capacity, wide display, non heated triple-glazed doors with ergonomic handles, which feature high thermal insulation and is an energy efficient solution. Glass lids on the chest results in an extra energy saving. Delta is a powerful sales tool for any layout supermarket. Multiplexible with other cabinets.

**OPTIONS:**

- | LED lighting for chest freezer part
- | Stainless steel bumper / protection rails
- | Push or slide glass lids

**KEY BENEFITS:**

- | Alternative depths and heights
- | Front bumper
- | Multiplexable device
- | LED lighting for freezer cabinet
- | Wide choice of colors for the exterior and interior (RAL pallet)
- | Bimetallic thermometer with holder
- | Energy-saving electronically commutated fans
- | Defrost heater
- | Polyurethane thermal insulation CFC free
